

AYSO Region 7 Team Referee Requirement

Volunteering as an AYSO Referee is an enjoyable and rewarding way to help our organization. As an AYSO Referee, you assure that every game is safe, fun, and fair for players and spectators alike.

Our Region offers several opportunities for children and youths to play soccer in both the Spring and Fall. This means a greater demand for referees. While we on the Referee Staff encourage everyone to attend training and join us "on the pitch," this alone does not ensure enough referees.

Please read these requirements before your child begins the new season:

I. Fall Season (8U-14U):

1. Every team in divisions 10U through 14U, regardless of standing, qualifies for regional play-offs only if:
 - a. It provides one Referee to the program; and
 - b. Its Referee earns at least fifteen (15) Referee points.
2. Every team in the 8U divisions qualifies to participate in Soccerfest only if:
 - a. It provides one Referee to the program; and
 - b. Its Referee earns at least fifteen (15) Referee points.
3. Each Referee must complete all of the following before being allowed to officiate:
 - a. Complete Referee training, online Regional Referee Course and in-person Companion Course, obtain AYSO's Safe Haven, Concussion Awareness and Sudden Cardiac Arrest (SCA) Certifications and complete SafeSport training and LiveScan fingerprinting, if applicable. The successful completion of all courses is to be verified by the Regional Referee Administrator or his/her designee;
 - b. The Team Referee Declaration form, completed and submitted to the Regional Referee Administrator or his/her designee by the deadline indicated in the season's calendar;
 - c. Registration as a volunteer and a current volunteer form submitted and verified by the Region 7 CVPA.

All Referees must complete the requirements of Paragraphs 3.a., 3.b., and 3.c. by the deadline indicated in the season's calendar. Any Referee who has not done so - and, therefore, not yet qualified to officiate - will not be allowed to represent a team under this policy, whether or not he/she has successfully completed a Team Referee Declaration form under Paragraph 3.b.

4. A Referee accrues Referee points in the following manner:
 - a. One (1) point for each game officiated as a center referee or an assistant referee in an Applicable Match;

 - iv. One (1) point for any Referee Staff-assigned administrative duty (up to three points maximum)
 - c. An Applicable Match is any regular season regional, inter-regional, or EXTRA game involving at least one Region 7 team, provided all other provisions of this Policy have been met.
5. Additional Provisions, for all Referees:
- a. A Referee may either be an adult, or a youth 12 to 18 years old;
 - b. A Referee may earn up to four (4) points per game day;

 - f. A Referee representing a 10U or older team may only earn points in Applicable Matches in the 10U-U19 divisions, as a 10U center referee or 12U assistant referee, or on higher divisions;
 - g. A Referee representing a 8U team may only earn points as a 8U center referee or 10U assistant referee, unless approved by the Regional Referee Administrator;
 - h. Two Referees representing the same team in divisions 8U-14U may combine points to meet the requirement in Paragraph I.1.b. However, each Referee must complete the requirement in Paragraph I.4.b. (i.e., each must earn at least three (3) points as a center referee and three (3) as an assistant referee).
